Your Agreement and Signature

Our commitments

We will use only the details and places you approve. Your gift amount stays private unless you choose otherwise. Recognition permission does not enroll you in marketing. We will not sell, rent, or trade donor contact information. Quotes need final wording approval; photos and videos need separate asset-specific permission. We will not connect your name to an identifiable person SadieSews serves.

Your agreement

I ask SadieSews, Inc. to record the recognition choices shown here. If I chose no public recognition, I do not authorize public recognition. Otherwise, permission is limited to my selected details, places, and duration. I am 18 or older and authorized to approve any organization name or logo I supply. Recognition is voluntary, unpaid, and may be changed or withdrawn.

[ ] I agree to record these choices.
